

# Parking – What You Need to Know

The City of Victoria operates five parkades, three surface parking lots and has nearly 2,000 on-street spaces to choose from. We also oversee residential parking zones.

## City of Victoria Parkades

City parkades are open 24 hours, offer 24/7 on-site security and are conveniently located within two blocks of all downtown attractions. While some daily parking can be accommodated, City parkades are primarily for short-term parking for shoppers and visitors. (SEE MAP ON THE REVERSE.)

## ParkVictoria App

You can pay for on-street and parkade parking on your smart phone or tablet with the City's *ParkVictoria* app. Download it for free from the App Store or Google

Play. *ParkVictoria* sends you alerts when your parking time is running out, adds time remotely and refunds unused time.

## Residential Parking Zones

Residential parking zones ensure that Victoria residents have access to on-street parking on their block. Only residents and their visitors or contractors working on the residence that fronts the residential parking zone may park there. Parking tickets are issued on a complaint basis.

To park in a residential parking zone, a resident is required to have their vehicle licence plate number on file with City of Victoria Parking Services.
